EDUCATION

Rutgers University

PhD Program, Mathematics

New Jersey, United States Aug 2024 – Now

• Research Area: Partial Differential Equations

• Supervisor: Yanyan Li

Université Toulouse III-Paul Sabatier

Master 1, Mathematics

Toulouse, France Sept 2023 -Jul 2024

 Graduate School of Ecole Universitaire de Recherche Mathematics and Interactions in Toulouse. (EUR MINT)

• EUR MINT Fellowship Laureate

• Overall Grade: 19.2/20 Overall Rank:1/13

Wuhan University

Bachelor of Science, Mathematics

Wuhan, China Sept 2020 - Jun 2023

· School of Mathematics and Statistics

• Hongyi Honor Degree

• Overall GPA: 3.87/4.00 Overall Rank: 1/48

ABOUT ME

Gender · male

Age · Birth in 2002

Nationality · Chinese

English · proficient Chinese · native French · beginner

Language Certification:
• IELTS: 7.0 overall

RESEARCH INTEREST

- Partial Differential Equations
- · Functional Analysis
- Geometric Analysis
- Harmonic Analysis

AWARDS AND HONER

2022/23 **Prize for excellent in Analysis and PDE**S.T.Yau College Student Mathematics Contest

- First Prize, No.11 in China14th Chinese College Mathematics Competition
- 2022 Laureate, Top 1% in Wuhan University
 National Scholarship of China
- 2022/23 Laureate, First Class (Top 5% in WHU)
 WHU Scholarship for Excellent students
 - 2022 **Laureate (Top 10 in 300)**WHU Outstanding Mathematics Student Scholarship
 - 2023 Laureate (Top 10 in Hongyi Honor College) Ying Nuo Scholarship

Courses attended

- Partial Differential Equations
- Riemannian Geometry
- Real Analysis
- Complex Analysis
- Analysis of Several Complex Variables
- · Functional Analysis
- Topology
- Probability
- Stochastic Process
- Mathematical Logic
- Commutative Algebra
- · Linear Algebra
- Mathematical Analysis
